**SAN FRANCISCO POETS**Evergreen Records, 1958. LP record. **Allen Ginsberg reads Howl, his first**

recording. Poets, Brother Antoninus, Robert Duncan, Jack Spicer, Michael McClure, Kenneth Rexroth, Philip Whalen, Laurence Ferlinghetti, and others. A very important early **Beat** album. This original limited release on Evergreen is very, very scarce, along with the not to be found original booklet in "Fine" condition which maybe the **only copy of this booklet to survive for auction.** I have been looking for years now and have found only 3 copies of the album in its cover, 5 with no album cover at all and every copy **without the booklet.** Reissued by Hanover the following year and that release is very common. Near fine record in near fine jacket. **And the only known copy of the booklet containing the poems and pictures of all who appeared on the Album for auction.** (Google "San Francisco Poets Album" and visit " REALITYSTUDIO.ORG ", do your homework). A collectors dream come true, a chance like this won't come around again and even as I write this, I am having second thoughts about having this auction. I wish good bidding to all. Thanks, Scott
