Description

Item Specifics - Antiquarian/Collectible Books

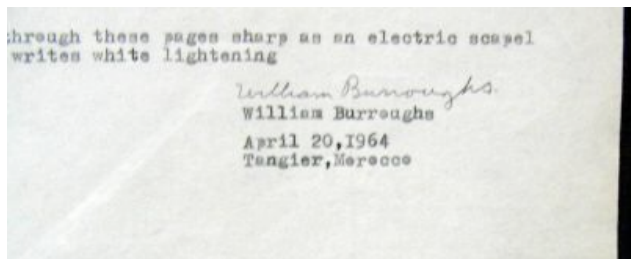

Binding: 1 loose page

Category: Literature

Sub-Category: --

Special Attributes: 1st Edition, Signed

Printing Year: 1964

This auction is for an item (small manuscript so to speak) written, typed, and signed by writer William Burroughs.

This item (page) was published in an issue of INTREPID - SPECIAL BURROUGHS ISSUE #14/15 - FALL/WINTER 1969/1970.

LOCATED ON PAGE 1 IN THIS SPECIAL ISSUE - one of the first publications devoted to William S. Burrough's work ((Last Awning Flaps On The Pier, Salt Chunk Mary, Letter To Allen Ginsberg, The "E" Meter, and contributions from writers such as Eric Mottram, Carl Solomon, and Carl Weissner))

The line reads as follows....

One voice speaks through these pages sharp as an electric scapel Mr. Alfred Chester writes lightening

((signature))
William

Burroughs

April 20,

1964

Tangier,

Morocco

INTREPID was edited/published by my stepfather, Allen De Loach for many years. These issues were like small anthologies -- great publications to add to a collection.

Allen De Loach - Editor, Publisher, Artist, Writer, Poet, Educator, Filmmaker, Critic, Beatnik, and a Bohemian in the truest sense of the word. Editor of the INTREPID Press, has published some 40 books, poetry, prose, journals, anthologies, photographs, video tapes, and multi-media presentations. Allen was the organizer of the open reading program at St. Marks Church where it all began. **Names like Allen Ginsberg, Jack Kerouac, William Burroughs, Ed Sanders, Robert Duncan, Robert Creeley, Ted Berrigan, Paul Blackburn, Fielding Dawson, and Joel Oppenheimer** became a large part of the whole that helped change American literature forever. Allen was there to feed them and help publish them and to usher in what America would become to know as the "Beatnik."

The Beats as they were known became responsible for the Beat Movement in American Literature -- a direction that changed poetry forever.

William S. Burroughs - became a pioneer with his presence in New York when the "beat" generation first became articulated in literature. Dedicated to the truth of his sexual and drug experiences and the nature of space and time in language. He made over homosexual experience and research into the expanded consciousness of drugs into a set of inter-connected metaphors of power, victimization and addiction which made visible the whole field of public and private life in the twentieth century. Was born in St. Louis, Missouri in 1914. He studied at Harvard. Lived in Tangiers, Paris, and London in the 1950s, 1960s, and 1970s. Wrote: *Junkie* (1953), *Naked Lunch* (1959), *The Place of Dead Roads* (1984), and *The Adding Machine: Collected Essays* (1985) just to name a few. Was known to be eccentric and an adventurer.

Depending on how this auction goes, I am hoping to list longer typed/signed manuscripts from this INTREPID issue from William Burroughs. All work has been authenticated.

If you have any questions, feel free to contact me anytime.

Thank you
