You are bidding on a copy of the YAGE letters signed by both William Burroughs and Allen Ginsberg. It has slight wear to the extremities, discoloration to the spine and back of the book. A very minor crack on the spine at the end of Ginsberg's name. A small circular stain at the bottom of the feather on the cover photo. Page 67 has a small hole at the top right hand corner. Lastly comments of the previous owner on the last page of the book. A ticket stub dated March 11, 1977 with both authors' names printed upon it verify the signatures as authentic. The books smells great. The pages are not discolored, overall a very good copy. This is a second edition printed in 1975 by City Lights Books San Francisco.
